

**Congratulations**  
for choosing TATA MOTOR's car in Wasan Motors  
to make it more proud, have a look on

## **TATA NEXON** **GENUINE ACCESSORIES**

And do us favour, to help you to make your Dream Car more  
*beautiful, in best possible ways !*

## DOOR VISOR

Car door visors shield the driver and passengers from the side sun and also from the water droplets during the rainy season, which can be distracting. A wind deflector built into the door visor is an excellent way to reduce wind noise inside the car, especially when driving at high speeds.

## FRONT BUMPER CHROME GARNISH

It enhances the front look of the car. Also it's protect from any front minor damages.

## REAR BUMPER CHROME GARNISH

It's enhance the rear boot look of the car. Also its protect from minor scratches when u keep any hard material inside the boot.

## BODY SIDE MOULDING

It's enhance the side look of the car. Also its protect from minor scratches, in congested parking.

## DOOR CHROME HANDLE

Rs. 1,615

## ORVVM (MIRROR) CHROME GARNISH

Rs. 1,747

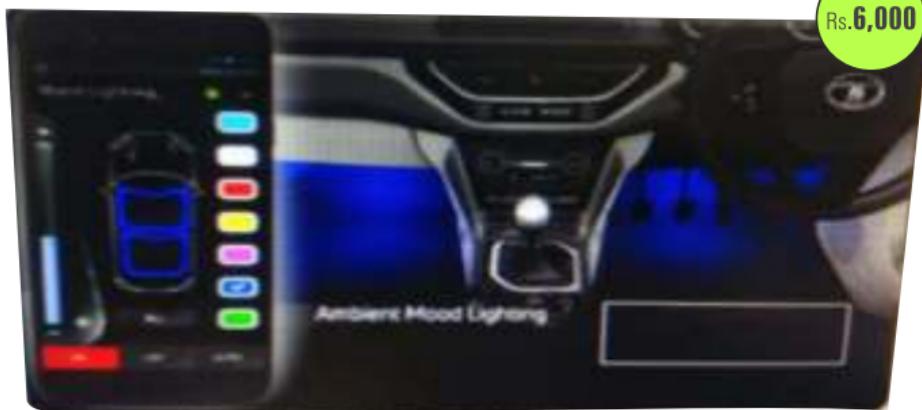

It's protect from minor scratches when u park the vehicle in congested parking.

## ILUMINATED SCUFF PLATE

Its Protect the door, rust free, long lasting, Also dust free. Door scuff plate help protect the interior door sills from scratches, rusted or damaged paint.

## AMBIENT MOOD LIGHT

Ambient lighting of door surfaces, floor space is beneficial, because it improves drivers orientation and thereby the driving safety.

## BONNET MASCOT

The brand mascot is tag of your car. Is enhance the car bonnet look of the car. Its create a memorable visual representation of your car brand.

**DIGITAL VIDEO RECORDER - BP 4.0 (DASH CAM)**

Applicable for all variants

Rs.12,500

**BLAUPUNKT**

exPress 1920

**DIGITAL VIDEO RECORDER  
BP 4.5 FHD**

7" IPS Display | Front &amp; Rear

Front camera in full screen display

Front &amp; rear camera half by half

✓ 7" 1080p HD color compatible  
✓ Comes with Rear wide-angle camera  
✓ Charger with additional USB port to charge other devices

Rear camera in full screen display

Front &amp; rear camera picture in picture

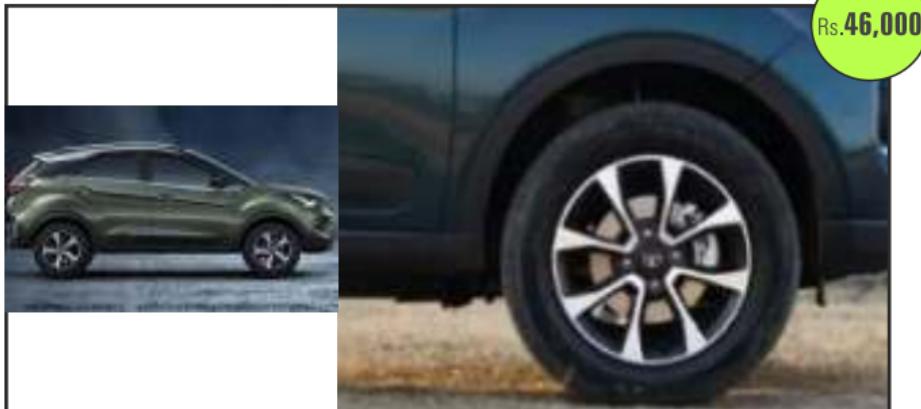

- Car DVR with Dual Lens Recording
- 2.0" IPS Color Display with LED backlight module
- 170 Wide-View-Angle (diagonal)
- Dual 1080p Front & Rear Recording
- Non-Stop Loop Recording
- Support Parking Monitoring When Connecting Car Charger
- Support Parking Mode When Connecting Hardwire Kit
- Video Mode with Motion Detection & G-sensor
- MOV/H.264 Video Format

- Car Number Watermark in the Video
- Build in Microphone & Speaker
- Fill Light for Night Vision Enhancement
- Storage Media Micro SD/SDHC/SDXC up to 128GB (not included)
- Working Temperature:-20°C-65 C
- Dimensions (WxHxD): 58x65x33m
- Weight:99g

Dash cams document your driving and enable you to record anything that happens on the road. This protects you against fraudulent insurance claims, deters theft.

**ALLOY WHEELS 16"** Applicable for XM / XE Model

Rs. 46,000

Alloy wheels weigh considerably less than standard wheels, which helps to improve the car's ride and handling. The reduced weight means there is less to turn when steering, and less weight for the suspension to handle when turning, which leads to a better performance overall.

**MUD FLAP**

Rs. 765

Mud Flaps protect your vehicle by safely deflecting road debris away from the fender wells. Your tires are in constant contact with a long list of obstacles ranging from muddy water to thick tar on a daily basis. Fender wells are made to contain these elements, but need some additional help.

## LED FOG LAMP with BEZEL

Applicable for XM/XE Model

Rs. 10,000

Fog lights are designed to aid visibility when bad weather conditions reduce your ability to see the road ahead. Front fog lights can cut through mist, fog, rain or even dust as they are mounted lower down than headlights in the front of the car.

## REAL PARCEL TRAY

Applicable for XM / XE Model

Rs. 2,200

Offers a dedicated space for storing small items. Acts as a barrier between the boot and the cabin. Good for mounting speakers and amplifiers if the shelf is sturdy

## CAR BODY COVER

Rs.2,500

It's prevent unsightly dents, dings and scratches, and against finish-destroying man-made and natural hazards. It's prevent against excellent theft deterrent. It's prevent barrier between your paint and damaging weather.

## CAR VACUUM CLEANER

Rs.1,100

In the case of automobiles, the car upholstery might look clean- but they are the perfect breeding ground for bacteria, fungus and viruses. A vacuum cleaner eliminates bacteria, dust and infectious viruses from the car cabin to help you drive in comfort.

## SIDE FOOT STEP

Rs. 15,499

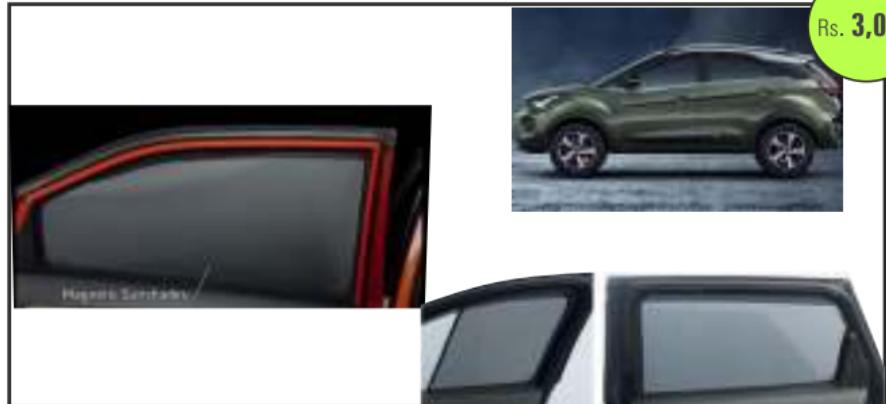

Side steps can protect the sides of your vehicle. A lot of dirt, gravel, and debris can fly off from your car's tyres, and some may escape through the mud guards that can dent or scratch your doors or rocker panels. A side step can act as a barrier between your car's door and the flying debris. It is very useful for elderly people to get in and out of the car.

## SEAT COVER ART LEATHER

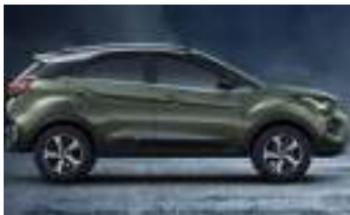

Car Seat Covers help retain the value of a vehicle and keep it looking great to protect your investment. Car seat covers provide extra protection to the seats from the UV beams of sun that will cause the original seat covers to fade. They also protect the seats from stains.

## MAGNETIC SUNSHADES

Your sunshade is working to reduce the overall temperature inside your car by reflecting the sun's rays of light. Without a sunshade, these rays are absorbed by your car's interior (think your seating and steering wheel), and consequently, heat up. The problem occurs when this heat can't then escape the car.

## 3D MATTING KIT

Rs. 3,800

3D floor mats are just as easy to clean as well. If you have a pet, 3D floor mats would be best because of the superior traction they offer over rubber floor mats; this will help keep your pet from slipping around inside the car.

## 7D PREMIUM CABIN MATT

The 7D car mats are made to offer end-to-end fitting while contributing the utmost luxury to the vehicle's interior. In addition to this, 7d car mats are designed using E.V.A, artificial leather, foam, and velcro. These mats have low maintenance and are known to trap dirt and are generally waterproof in nature.

---

---

---

## 3D DICKY MAT (BOOT)

Raised edges makes cleaning the car an easy task, just take out the mats and clean them with water without spilling any dirt inside the car.

**ANDROID TOUCH SCREEN  
MUSIC SYSTEM**

Applicable for XM / XE Model

Rs.30,000

## Features

- In this Touchscreen system you will get the following features.
- HD Display 9.1" with Multimedia Android base Music System.
- In this System you will see Open door & closed option Company fitted parking sensor is activated in this system.
- If the company has fitted steering controls, they will also be activated along with the touchscreen system.
- Mobile mirror link facility inside the system. You can mirror your mobile with full system mirror.
- You can do the "NAVIGATION" facility with mobile or from Google Play.
- Reverse guide camera facility will meet you in this system.
- BT & all Android version facility you will get this system.

## VEHICLE TRACKING DEVICE

Reduce Both Wage and Fuel Costs. Track your vehicle location. Protect your car theft. Security benefits. Increase car productivity.

## FRONT CORNER SENSOR WITH BEEP SOUND

Applicable for XM / XE Variant

Parking Sensor provides good coverage to the front end of the vehicle. It's very useful while parking, removing the car from tight parking spaces.

## AUTO DIMMING IRVM

Daytime: Very Good Vision

Night:

The IRVM helps improve the visibility in the dark minus the glaring lights from behind, and the entire journey becomes safer. The other distinct advantage is the ease that they provide the driver when driving through heavy traffic. It helps in reducing driving fatigue to a great extent.

## REVERSE CAMERA WITH AUTO DIMMING IRVM DISPLAY

Applicable for XM / XE Variant

Rs. 16,300

Some of these mirrors have auto-dimming feature as well. The advantage is that you do not have to change your existing music system and it . Also you will get the rear view camera inside the mirror. The day and night auto-dimming mirrors or IRVM use sensor technology to dim the lights. These mirrors contain two glass pieces that are coated .

**BUMPER PROTECTORS (FRONT AND REAR)**

Rs. 1,000

The best bumper guard will protect your vehicle from getting dented, scraped, or scratched by another vehicle when you or someone else is parking. They also have impact absorption qualities. Park worry-free.

**DOOR PROTECTOR (EDGE) GUARD**

Rs. 300

Door edge guards are custom trims attached to the opening edge of car doors that protect the doors' painted surface from dings, dents, and other forms of wear.

## REVERSE CAMERA WITH TFT DISPLAY

Applicable for XM/XE MODEL

Rs. 6,000

Reverse cameras allow you to not just park your vehicle without any hassle but also offer you better visibility of car behind you.

## REMOTE CENTRAL LOCKING

Applicable for XE MODEL

Rs. 6,000

The central locking system reduces the burden of the owner by unlocking all the doors when one door (usually the driver's door) is opened. And the vice-versa is also true, i.e. it locks all the doors if you lock the driver's door.

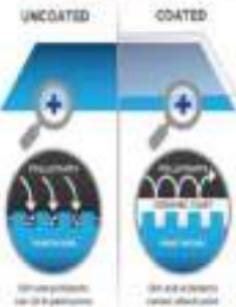

**CERAMIC COATING** 2 Years Warranty

Rs.30,000

## CERAMIC COATING 2 Years Warranty

### Advantages of Ceramic Coating

### Features:-

Titanium Based Ceramic Coating  
Ultra-slick  
Durable – Gloss  
Extremely hydrophobic  
Paint adhesion Certification, Excellent binding with car paints.  
99.9% Gloss level post application, almost like MIRROR.  
Area of Application – Paint, Glass, Rims and Trim  
Easy application and adequate curing time.

### 3D Advantage:-

- ECO Friendly
- NON Carcinogenic
- Bio Degradable
- VOC compliant
- Affordable
- Water Based
- Environment Friendly

### Need for Ceramic Coating

**Scratch Resistance** - Need for good looking, well maintained cars with minimal efforts.

**Super Hydrophobic Effect**- Protect Car surface from any liquid damages.

**Weather & UV Resistance**- Protect from High UV rays.

**Thermal Resistance**- Protect car paints in Extreme heat.

**Anti-Graffiti**- Protect surface.

**Advanced Chemical Resistance**- Protect from any chemical reaction on paints like Bird dropping, tree sap, tobacco spit ( In India)

**Oxidation & Corrosion Resistant**- Maintain car original colour for long time.

**High Gloss Finish**- Titanium base, Extra gloss in 3D CERAMIC COATING.

**CERAMIC COATING** 2 Years Warranty

INTRODUCING HIGH CLASS  
**CERAMIC COATING**

**The Ultimate Shine**  
Protects Your  
Investment From

UV Rays -  
Color fading

Acidic  
Rains

Bird Dropping  
/ Insect Fluid

Chemicals

Tree Sap

Dust & Tar

## ANTI RUST TREATMENT (UNDER BODY COATING)

Rs. 6,000

At Super Cool we know rust can be the result of stone chips, abrasions, water and sea spray. By applying rust protection methods, you can prevent the forming of surface rust and structural rust.

## SILENCER COATING

Rs. 2,000

The coating minimizes sound from underneath the vehicle and insulates against the heat and cold. Silencer Coating Treatment increases the life of the silencer. The silencer also acquires diesel wash resistance and performs better at high temperatures.

## ENGINE COATING

The underbody engine coating is commonly used on cars is a thick coating all along the underside of the car. You also get a thinner clear coat underbody coating in the entire underside of the car.

## HYDROFOBIC GLASS COATING

A Hydrophobic coating is a general term used to describe something that can be applied to a surface to repel water. At the same time that it is repelling water, it also repels dirt, minerals, droppings, etc. and when used on glass, improves the visibility of glass and makes cleaning it a lot easier.

## INSIDE DOOR/BOOT RESTING KAVITY TREATMENT

Rs. 2,500

Special protection against rust, splashwater, road salt and other weathering effects. Excellent corrosion resistance in acc. Excellent adhesion. Effectively stops penetration by water and represses damp. Excellent penetrability (in particular hard-to-access places)

<b>OPTION : 1</b>	<b>ANTIRUST COATING (UNDER BODY COTING) WITH 3YRS WARRANTY</b>	<b>8000</b>	
ENGINE COATING			
SILENCER COATING			
DOOR & BOOT INSIDE CAVITY COATING
